

Welcome to The Brilliance Plan!

A best-in-class dental membership plan

We are THRILLED to welcome you into our dental family and are so honored you chose the Brilliance Plan to ensure you have access to high quality dental care at affordable prices. Through our annual membership plan, you get several perks valid for one full year from the date of purchase! Please keep this sheet handy as it has important information regarding how the plan works and what to expect!

What if I get PPO dental insurance or another insurance plan after purchasing The Brilliance Plan?

Even the “best” insurances do not offset costs for all services! Your Brilliance Plan will remain in effect for the entire year. Feel free to use it on any service you like!

I need a deep cleaning (or gingivitis cleaning)... is that covered?

Yes! 1 full mouth “Deep” cleaning or Gingivitis cleaning will be completed at no additional charge! Please remember, follow up cleanings will be recommended every 3-4 months to help stabilize your periodontal disease. These cleanings will cost \$125 each visit for adults. BTW, Additional cleanings for children under 14 are \$60.

Will someone call me before my plan expires?

No. But the really great news is that renewal can happen in the blink of an eye! Just come into our office, or give us a call. We can even send you a link via email or text to allow you to renew via a contactless renewal/payment option.

Do my cleanings and discounts roll over if I don't use them?

No. All services for which you are eligible must be completed within one year of membership.

How many family members can I add at the reduced annual rate?

If they live at the same address as you and are under the age of 14, they can be added to your plan for the reduced annual rate!

What happens if the company makes changes to the Brilliance Plan after I purchase it?

Your membership pricing and benefits are locked in for one year! We will not raise your price, or take away any perks, during your membership year.

Can I get a refund if I didn't use the plan or if I don't want it anymore?

No. The membership fee is non-refundable. Don't let it go to waste!

Can I purchase the Brilliance Plan for a friend or family member?

The gift of oral health couldn't be easier! You may certainly purchase a plan for someone else!
